

Smuk Zvuk - presse 2026

Dansk (lang version)

Smuk Zvuk (Smuk Lyd) er en dansk-tjekkisk duo med vibrafonist Viktoria Søndergaard og bassist Klára Pudláková. De skaber drømmende musik, inspireret af improvisation og eventyr. Deres debutalbum; *Call Me a Princess*, er rost for sin kreativitet og originalitet og blev i 2025 ugens album på P8-jazz. Pladen har bl.a. fået opmærksomhed fra Niels Overgård (Jazznyt), som skriver:

“Call Me a Princess er et smittende møde mellem to musikere, der bobler af kreativitet og stor original musikalitet. Hvis du giver dig selv tiden og hører den mere end nogle få gange, så går den i blodet på dig.”

På baggrund af debutalbummet er Viktoria i 2025 blevet nomineret til en Danish Music Award som årets musiker. Både Klára og Viktoria er hver især aktive profiler på den europæiske jazzscene. Med Smuk Zvuk åbner de et nyt kapitel i deres virke, med sans for detaljen, mod til det stille og lyst til det legende.

Smuk Zvuk er musik for dem, der tør give sig hen til det subtile, det smukke og det overraskende, og for et publikum, der er åbent for den unge, nutidige improvisationsmusik.
